

Bedrule Pty Ltd  
t/as Australian High Voltage  
Level 17, 40 Mount Street  
NORTH SYDNEY NSW 2060

**Renewal of Accreditation Number: 3825**

I am writing to inform you that accreditation for Bedrule Pty Ltd t/as Australian High Voltage under the NSW Accredited Service Providers (ASP) scheme has been renewed as a Level 1 Service Provider for Class Overhead and Underground, Grade A, until midnight on 11/06/2018.

Please retain this letter as evidence of accreditation for Bedrule Pty Ltd t/as Australian High Voltage. Please note that accreditation needs to be renewed annually.

I would like to take this opportunity to remind you that any person who will be providing contestable services on or near the distribution system must be suitably qualified, registered with this scheme and authorised by the local electricity distributor. A copy of the registration form for individuals is available from our website at: <http://www.resourcesandenergy.nsw.gov.au>.

Your company may also apply to be accredited to perform work in additional categories. To apply for additional categories you may use the same registration form, please note that a fee may apply, please see the Scheme Rules.

Please note that this accreditation is subject to continued compliance with the conditions of the ASP Scheme, including maintenance of the required insurance policies. Please advise us immediately if any of those insurance policies are cancelled or reduced in coverage or if any of the employees or subcontractors you have registered are no longer associated with your business.

If you have any queries or would like more information please contact the ASP scheme on telephone (02) 9842 8636 or email [asp.scheme@industry.nsw.gov.au](mailto:asp.scheme@industry.nsw.gov.au)

Yours sincerely

Terry Miller  
Acting Manager, Energy Networks & ASPs  
Department of Planning & Environment
